

Goel Mittal & Company

Chartered Accountants

TO THE MEMBERS OF QLIKMATRIX SEM AND ANALYTICS PRIVATE LIMITED	
I. Report on the Audit of the Financial Statements	
1.	Opinion
A.	We have audited the accompanying Financial Statements of QLIKMATRIX SEM AND ANALYTICS PRIVATE LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").
B.	In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021, ("AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, the profit and its cash flows for the year ended on that date.
2.	Basis for Opinion
	We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.
3.	Other Information - Board of Directors' Report
A.	<p>The Company's Board of Directors is responsible for the preparation and presentation of its report (herein after called as "Board Report") which comprises various information required under section 134(3) of the Companies Act 2013 but does not include the financial statements and our auditor's report thereon.</p> <p>Our opinion on the financial statements does not cover the Board Report and we do not express any form of assurance conclusion thereon.</p>

	<p>B. In connection with our audit of the financial statements, our responsibility is to read the Board Report and in doing so, consider whether the Board Report is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.</p> <p>If, based on the work we have performed, we conclude that there is a material misstatement in this Board Report, we are required to report that fact. We have nothing to report in this regard.</p>
4.	Management's Responsibility for the Financial Statements
	<p>A. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.</p>
	<p>B. In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.</p> <p>The Board of Directors are responsible for overseeing the Company's financial reporting process.</p>
5.	Auditor's Responsibilities for the Audit of the Financial Statements
	<p>A. Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of</p>

		these Financial Statements.
	B.	As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
		i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
		ii) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control systems.
		iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
		iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern
		v) Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation
	C.	Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.
	D.	We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
	E.	We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to

		communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
II. Report on Other Legal and Regulatory Requirements		
1.	As required by Section 143(3) of the Act, based on our audit we report that:	
	A.	We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit
	B.	In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
	C.	The Balance Sheet, the Statement of Profit and Loss and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
	D.	In our opinion, the aforesaid financial statements comply with the AS prescribed under Section 133 of the Act, read with the Companies (Accounting Standards) Rules, 2021
	E.	On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
	F.	In our opinion, the provisions of Section 143(3)(i) with regard to opinion on internal financial controls with reference to financial statements and operating effectiveness of such controls is not applicable to the company.
2.	With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:	
	i.	The Company does not have any pending litigations which would impact its financial position.
	ii.	The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
	iii.	There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
	iv.	a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in

	<p>any other person or entity, including foreign entities ("intermediaries") with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other person or entity identified in any manner whatsoever by or behalf of the company ("ultimate beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate beneficiaries.</p> <p>b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person or entity including foreign entities ("Funding Parties") with the understanding, whether recorded in writing or otherwise, that the company shall, whether directly or indirectly, lend or invest in other person or entity identified in any manner whatsoever by or behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the ultimate beneficiaries; and</p> <p>c) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that representations under sub clause (a) and (b) contain any material mis-statement.</p>
v.	The Company has neither declared nor paid any dividend during the year.
vi.	Based on our examination, the company has used accounting software for maintaining its books of account which does have the feature of recording audit trail (edit log) facility in terms of the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014.
3.	This report does not include a statement on the matters specified in paragraphs 3 & 4 of the Companies (Auditor's Report) Order, 2020, issued by the Central Government in terms of section 143(11) of the Companies Act, 2013, since in our opinion and according to the information and explanation given to us, the said Order is not applicable to the company.

1 Company overview

Qlikmatrix SEM and Analytics Private Limited ('the Company') is a private company domiciled and headquartered in India and was incorporated on 17 May 2017 under the Companies Act, 2013. The Company is engaged in the business of digital marketing and advertising.

2 Significant accounting policies**2.1 Basis of preparation of financial statements**

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis of accounting and comply with accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act'), as applicable, the provisions of the Act (to the extent notified) and other pronouncements of Institute of Chartered Accountants of India. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

2.2 Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities and the disclosure of contingent liabilities on the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognised prospectively in current and future periods.

2.3 Current and non-current classification

All assets and liabilities are classified as current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- it is expected to be realised in, or is intended for sale of consumption in, the company's normal operating cycle;
- it is held primarily for the purpose of being traded;
- it is expected to be realised within 12 months after the reporting date; or
- it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- it is expected to be settled within the Company's normal operating cycle;
- it is held primarily for the purpose of being traded;
- it is due to be settled within 12 months after the reporting date; or
- the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities. All other liabilities are classified as non-current.

Operating cycle:

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of operations and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle to be 12 months for the purpose of classification of assets and liabilities as current and non-current.

2.4 Property, plant and equipment

Property, plant and equipment are carried at cost of acquisition or construction less accumulated depreciation and/or accumulated impairment loss, if any (i.e. Cost Model). The cost of an item of property, plant and equipment comprises its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use.

Subsequent expenditures related to an item of property, plant and equipment are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance. Property, plant and equipment acquired wholly or partly with specific grant/subsidy from government, are recorded at the net acquisition cost to the Company.

Subsequent changes in liability are added to/deducted from the cost of related asset in the period in which such change occur. If a decrease in the liability exceeds the carrying amount of the asset, the excess is recognised immediately in the Statement of profit and loss. If there is an increase in the cost of asset on account of subsequent changes, the Company considers whether there is an indication that the new carrying amount of the asset may not be fully recoverable and account for any impairment loss, in accordance with AS 28, if such indicators exist.

Borrowing costs are interest and other costs incurred by the Company in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of those property, plant and equipment which necessarily take a substantial period of time to get ready for their intended use are capitalised. Other borrowing costs are recognised as an expense in the period in which they are incurred.

2.5 Depreciation and amortisation

Depreciation on tangible assets is provided on the value of respective tangible assets as per the Schedule II of the Companies Act, 2013 on the basis of written down value method. The Management estimates the useful life for the fixed assets as follows:

Category of Assets	Useful life (in years)
Servers & Networks	6 years
End User Devices-Desktops, Laptops	3 years
Office Equipments	5 years
Furniture & Fixtures/Electrical Equipments	10 years
General Plant & Machinery	15 years

For Qlikmatrix SEM & Analytics Pvt. Ltd.

For Qlikmatrix SEM & Analytics Pvt. Ltd.

Director

Director

2.6 Revenue recognition & effects of changes in Foreign Exchange Rates

Revenue from sale of services are recognised in conformity with the principal laid down in AS-9 and there is no significant uncertainty exists regarding the amount of

The Company recognized revenue as and when it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there are no uncertainties related to the collection.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the underlying interest rates.

Transactions in Foreign currency are initially recognized using the spot rate prevailing on the date of transaction and on year end all the foreign currency monetary items are revalued using the exchange rate prevailing on end of the year. RBI reference rates have been taken for the purposes of conversion. Any difference arises on account of above has been charged to profit & loss account as prescribed by accounting standard-11. "The effects of changes in Foreign Exchange Rates" issued by the Institute of Chartered Accountants of India and offered /claimed as income/expense in the statement of profit & loss

2.7 Provisions, contingent liabilities and contingent assets

A provision is recognised if, as a result of a past event, the Company has a present obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognised at the best estimate of the expenditure required to settle the present obligation at the balance sheet date.

A contingent liability exists where an enterprise is jointly and severally liable for an obligation, the part of the obligation that is expected to be met by other parties is treated as a contingent liability. The enterprise recognises a provision for the part of the obligation for which an outflow of resources embodying economic benefits is probable, except in the extremely rare circumstances where no reliable estimate can be made. Contingent liabilities are assessed continually to determine whether an outflow of resources embodying economic benefits has become probable. If it becomes probable that an outflow of future economic benefits will be required for an item previously dealt with as a contingent liability, a provision is recognised in the financial statements of the period in which the change in probability occurs (except in the extremely rare circumstances where no reliable estimate can be made).

Contingent assets are neither recognised nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

Provision in respect of loss contingencies relating to claims, litigation, assessment, fines, penalties, etc. are recognised when it is probable that a liability has been incurred, and the amount can be estimated reliably.

2.8 Income tax

Income-tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with the income-tax law) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period). Income-tax expense is recognised in Statement of profit and loss except that tax expense related to items recognised directly in reserves is also recognized in those reserves.

Current tax is measured at the amount expected to be paid to (recovered from) the taxation authorities, using the applicable tax rates and tax laws. Deferred tax is recognised in respect of timing differences between taxable income and accounting income i.e. differences that originate in one period and are capable of reversal in one or more subsequent periods. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets are reviewed as at each balance sheet date and written down or written-up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realised.

Company has decided to opt the section 115BAA of the Income Tax Act, 1961. As per this provision Minimum Alternative Tax ('MAT') is not applicable.

2.9 Earnings per share ("EPS")

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding after adjustment for the effects of all dilutive potential equity shares.

2.10 Cash and cash equivalents

In the Cash flow statement, cash and cash equivalents include cash in hand, demand deposits with banks, fixed deposits with bank, other short-term highly liquid investments with original maturities of three months or less.

2.11 Corporate Social Responsibility

As per Section 135 of the Companies Act, 2013, the company is required to spend at least 2% of the average net profits of the company made during the three immediately preceding financial years towards Corporate Social Responsibility (CSR) activities in accordance with the CSR Policy and as per Schedule VII of the Companies Act, 2013.

- Gross amount required to be spent by the company during the year is INR 8797.76/- (Rs. '00)
- Amount spent during the year on:
 - Construction/acquisition of any asset is Nil
 - On purposes other than (i) above is INR 9000/- (Rs. '00) paid through NEFT/RTGS.

3. Share capital

Authorised:

10,000 equity shares of Rs.10 each

Issued, subscribed and paid-up

10,000 equity shares of Rs.10 each

	As at 31 March 2025	As at 31 March 2024
	1,000	1,000
	1,000	1,000
	1,000	1,000

i) Reconciliation of number of shares

	As at 31 March 2025		As at 31 March 2024	
	No. of shares ('00)	Share capital (Rs. '00)	No. of shares ('00)	Share capital (Rs. '00)
Equity shares				
At the commencement of the year	100	1,000	100.00	1,000
Shares issued during the year	-	-	-	-
At the end of the year	100	1,000	100.00	1,000

(ii) Rights, preferences and restrictions attached to shares

The company has only one class of equity shares having par value of Rs. 10 per share. Each shareholder is entitled to one vote per share held. The company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in the case where interim dividend is distributed. However, the Company has not declared any dividend during the current year or previous year.

In the event of liquidation of the company, the holders of equity shares will be entitled to receive remaining assets of the company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

iii) Details of shares held by shareholders holding more than 5% of the aggregate shares in the Company

	As at 31 March 2025		As at 31 March 2024	
	No. of shares ('00)	% of holding	No. of shares ('00)	% of holding
Srikrishan Chaudhary	49.99	49.99	49.99	49.99
Shruti Kalp Srivastava	50.00	50.00	50.00	50.00
	99.99	99.99	99.99	99.99

As per records of the company, including its register of shareholders/members, the above shareholding represents both legal and beneficial ownerships of shares.

(iv) Details of shares held by promoters

	2024-25	
Promoter Name	No. of Shares ('00)	% of total shares

23 Dues to micro and small suppliers

The Ministry of Micro, Small and Medium Enterprises has issued an office memorandum dated 28 August 2008 which recommends that the Micro and Small Enterprises should mention in their correspondence with its customers the Entrepreneurs Memorandum Number as allocated after filing of the Memorandum in accordance with the Micro, Small and Medium Enterprise Development Act, 2006 ('the Act'). Accordingly, the disclosure in respect of the amounts payable to such enterprises as at 31 March 2025 has been made in the financial statements based on information received and available with the Company. Further in view of the Management, the impact of interest, if any, that may be payable in accordance with the provisions of the Act is not expected to be material. The Company has not received any claim for interest from any supplier as at the balance sheet date.

24 Commitments and contingent liabilities

- i) There are no claims against the Company not acknowledged as debt as at 31 March 2025.
ii) Additionally, the Company is not involved in any disputes, lawsuits and claims, including commercial matters. The Company believes that there are no such pending matters that are expected to have any material adverse effect on its financial statements in any given accounting period.

25 Segment information

The Company is engaged in the business of IT advertising and digital marketing. This has been identified as its single reportable business and geographical segment.

26 Subsequent events

The Company evaluated all events or transaction that occurred after 31 March 2025. Based on this evaluation, the Company is not aware of any events or transaction that would require recognition or disclosure in the financial statements.
